More than 200 people packed the Tailem Bend Town Hall on Saturday for an evening of hilarity and good food.

This years Tailem Bend Murder Mystery dinner proved to be the most successful yet, with attendees puzzling over the perpetrators of a series of Hollywood murders.

Guests were treated to a three course meal of Moroccan carrot soup, followed by lamb or beef with roasted vegetables and a choice of chocolate pots with orange sauce or hot cider apples with ice-cream and slivered almonds.

Towards the end of the play, table groups worked together to figure out who the murderer was, many of them correctly guessing casting agency manager, Billie Clubb.

Winning table 17 were awarded their prizes for the most detailed guess and prizes are also awarded for the best 70's costume in keeping with the theme.

Communities for Children Chatter

We have been delighted with how well received our C4C program has been. We had a fantastic turn out for the family fun night on the 12th of February (photos below) and have received some lovely feedback about the program, such as the following comment received via email-

“ We would like to express our appreciation of the events you made available to the Community during our recent school holidays. Well done to the organisers of each event, to have this opportunity in this town helps our children to gain life skills that are needed, but not always available for every family.

Our children came home from the events they were involved in with a great positive outlook, which was fantastic.

We hope these events can continue in the community as the positivity from the children is greatly acknowledged. ”

Support Group for Parents of children with disabilities

Starting in April, TBCCs C4C program is working with parents and carers of children with disabilities to offer an informal support group where adults and children can socialise, relax, and share stories, ideas and resources.

Want to tour the Adelaide Oval? TBCC is planning a free trip to Adelaide and tour of the Oval for parents and children. Give us call or email c4c@tbcc.org.au if you're interested in coming on the trip.

Our Time is a social group for Pre-school aged children and their parents or carers to have a chance to catch up, play and have a bit of time to themselves.

Got an appointment? Why not ring in ahead and book for our crèche? Your child will be more than safe with Joanna, who has years of experience in the childcare sector.

While it currently runs on a Thursday morning, we are seeking feedback about which day would suit most families, for a potential change of day.

Meet Joanna

I was born in Limburg Netherlands in 1949 which makes me 65 years old.

Came to Australia at the age of ten and moved to England at the age of 19. Had the good sense to come back to Australia 3 years later but still keep in touch with my dear friend in England.

I have three daughters and one son, 8 grand children and three great grand children.

Worked in childcare for 30 years, the last twelve as a validator for the National Childcare Accreditation Council, assessing childcare centres all over Australia. Moved to Tallem Bend to retire 4 years ago and although retired from childcare I enjoy the two hours a week with my "Our Time" friends.

I am also currently secretary for the TBCC Board and volunteer at the craft shop.

In my "spare" time I assist my husband Gary to run a church at TBCC each Sunday, as well as bible studies and prayer meetings during the week.
