Staff are currently preparing the Annual Report for the AGM which is always a time of reflection and celebration. It never ceases to amaze us how many people benefit from the services we provide. We cover such a large geographical area, over 35,000 kms². Its easy to be consumed by the everyday operations and its nice to pause and appreciate all the wonderful people and services we provide.

Once complete a copy of the report and audited financials can be found at <https://www.tbcc.org.au/about/annual-reports/>

I encourage you all to read the report, as we often have conversations with people in the community that still ask what we do at TBCC. Our organisation is highly regarded in the Community Services sector and we would love our locals to share in our success and have a better understanding of how we make a difference.

We look forward to your presence and invite all to remain after the meeting for a delicious morning tea.

Keep an eye out for new signage that will be displayed at local sporting clubs and businesses around the Coorong promoting TBCC and the CPN.

MMCPN—As of June 2021 we had met our required target outputs for the year. Delivering a total of 1,885 outputs to consumers with both Medical Bus and CPN Vehicles. Without our fabulous volunteers and their continuous dedication and support, the service would not be as efficient as what it is.

As we are deemed an essential service, medical transport will continue throughout Covid-19 lockdowns. Both the Medical Bus and CPN Vehicles can provide transport for essential medical appointments. To book please call TBCC on 08 8572 3513 and ask for Sam.

CHSP— Denise and Sam have recently sent out over 700 consumer assessment forms, via Australia Post. Please follow the instructions in the letter to complete the form and return it to TBCC as soon as practical, replied paid envelope supplied.

**** These sessions will be subject to Covid-19 restrictions. Keep a look out on the TBCC Facebook page or make a booking for updates. ****
