### Programs are Supported by:

- Department of Health
- Department of Human Services
- ac.care's Communities for Children Murraylands programme funded by the Australian Government Department of Social Services
- Department for Infrastructure and Transport (DIT)
- The Coorong District Council (CDC)

**MMCPN new car has arrived!**—The Taillem Bend Community Centre is now the proud owner of a brand new Toyota Camry. This is our fifth vehicle purchased to provide medical transport to Murray Mallee Community Passenger Network consumers. This now means a CPN car will be permanently based in Meningie. We are always eager to hear from prospective volunteer drivers. If you think you can help out your community, and would like to get involved, please visit our website <https://www.murraymalleecpn.org.au> or call 08 8572 3513 and ask for Sam.

**Monarto Zoo**—What a treat this was! Our first social group outing since last year, due to Covid-19. It was such a beautiful day, with fabulous weather and even better company. A bus load of 30 departed TBCC at 9am and arrived for scones, jam and cream, before getting back on the bus to enjoy a guided tour around Monarto Safari Park. Lunch was served and then we headed to the chimpanzee enclosure, before heading home. Keep an eye out, as a trip to the Coonalpyn Silos is in the works!

**TBCC Update**—We are looking for administration, reception and catering volunteers to join us. Please get in contact with us, on 08 8572 3513 to discuss any future opportunities.

Membership registrations are due for 2021/2022. The cost is \$5.50 per annum, which includes: 50% off service charges, bi monthly newsletters, birthday card and voting rights at general meetings.

**Community Home Support Program**—HACC funding concludes 31 July 2021. People under 65 (50 ATSI) need to register with the NDIS for services—call 1800 800 110 or visit <https://www.ndis.gov.au/>.

Save the date for Aging Expo—Friday 15 October 2021, Taillem Bend Town Hall & Willow Street Precinct.

We have plenty of frozen roast meals available for CHSP consumers: 65+ years (or 50 ATSI). Roast chicken, beef or lamb, with roast vegies and gravy, \$4 each.

**Koenig Laser Machine**—We are very excited to welcome a Koenig Laser Machine to the list of tools and machinery we have on offer at TBCC. This machine has the ability to cut and etch on plastic, wood, leather, paper and glass. If you are interested in learning how to use this machine, please call Lauren on 08 8572 3513 or email [info@tbcc.org.au](mailto:info@tbcc.org.au)

**Hay bales**—As the saying goes, 'save the best for last' and we certainly have done this for the hay bale displays. Our final theme honoured the ANZAC Men, Women and Animals. Thank you to MP Tony Pasin for volunteering at TBCC and helping to cut out the silhouettes, which were donated to Taillem Bend RSL. We would like to express our gratitude to everyone who has contributed time and effort into

each of these projects, over the last six months. We also would like to acknowledge the creative mind behind this project, Denise McLoughlin.

**Communities for Children**—During April school holidays C4C held a Mothers Day Resin Art workshop. Ten children participated with their Mum and tried out a couple of different resin projects, including bookmarks, key rings and small cheese boards. There were a range of other craft activities on offer for the children to complete. The resin art was left over the week to dry, packaged up with some chocolates and families were able to collect just before Mother's Day. Everyone involved really enjoyed the workshop with some even wanting to do another resin project in the future.
