

Hot Weather Policy

1. Scope:

The Taillem Bend Community Centre Incorporated (TBCC) has developed this policy to provide guidance to employees, volunteers, contractors and visitors in the event of declared Hot Weather or Catastrophic Fire Danger days.

This policy applies to all employees, volunteers, contractors and visitors of TBCC.

2. Purpose:

The purpose of this document is to provide an overview for the operations of the TBCC on a day of hot weather or catastrophic fire danger rating.

3. Definitions:

3.1 *Hot Weather Day* refers to a day when the weather forecast to be 35 degrees or above on the night before

3.2 *Catastrophic Fire Danger Day* refers to highest possible fire danger rating as declared by the CFS

4. Policy:

4.1 In the event of a Hot Weather Day being announced

- 4.1.1 Volunteers have the right to withdraw from any commitment to ensure their own welfare and wellbeing.
- 4.1.2 All classes or activities held or conducted by TBCC in non-air-conditioned areas will be cancelled.
- 4.1.3 In the event of a power failure any classes or activities held or conducted in air-conditioned areas will be cancelled immediately.
- 4.1.4 MMCPN trips are negotiated between MMCPN Coordinator and volunteer driver.

EXTREME / SEVERE FIRE RATINGS

4.2 In the event of a Catastrophic Fire Danger Day being declared in the Murraylands Fire Danger Region

- 4.2.1 All employees shall not attend for work unless specifically requested by the CEO for emergency management purposes
- 4.2.2 Any classes, meetings, support groups activities and/or luncheons will be cancelled.
- 4.2.3 Special exemptions for organisations with existing bookings to hire the TBCC's facilities may be made following discussions with TBCC CEO.
- 4.2.4 Volunteers will not be engaged to perform duties on the TBCC's behalf.
- 4.2.5 Contractors will not be engaged to perform duties on the TBCC's behalf.
- 4.2.6 Key holders of the TBCC will be allowed access to the building at their own risk but the CEO shall be informed prior to the person arriving at the building and again when they leave.
- 4.2.7 In the event of a Catastrophic Fire Danger Day being declared in any other Fire Danger Region where a TBCC class or activity or TBCC employees or volunteers are required to travel through or within, all such classes or activities shall be cancelled

5. Responsibilities:

It is the responsibility of the TBCC Board through the Coordinator to ensure that:

- 5.1 Weather conditions are monitored and appropriate personnel are advised when hot weather or a catastrophic declaration are made
- 5.2 Appropriate fire prevention measures are taken to protect the TBCC as best as possible
- 5.3 Employees, volunteers, contractors and visitors requesting information regarding fire safety are directed both to this policy and to follow the Country Fire Service's advice as follows: Monitor bushfire 'Watch & Act' and 'Emergency Warning' messages through local ABC radio (891 AM) and FIVE AA (1395 AM) as well as the CFS website www.cfs.gov.au and Bushfire Information Hotline on 1300 362 361.
